Original Imaret's Hamam

Women of the Orient were famous for their shiny & silky skin.

Bathing as well as purification with water, was not only a spiritual recreation, but also a passion for appearance & luxurious relaxation. In Imaret's hamam, every detail has been conceived to ensure that time spent here is a moment of perfect bliss. Handmade soaps of olive oil, rose and ash, blends of almond, myrrh and rosewood accompany the old traditional techniques and create the ultimate experience of the authentic hamam in Imaret.
